

INSTITUTE OF EDUCATION

VISION

The FEU Institute of Education develops teachers, educational managers and practitioners who are locally and globally competitive, critical thinkers, life-long learners, digitally literate and effective communicators. Committed to the growth and well-being of learners from diverse cultures and capacity levels, the Institute further instills into these teachers, academic managers and practitioners the values of Fortitude, Excellence, and Uprightness at all times.

MISSION

The Institute promotes quality outcomes-based, values-laden, progressive, collaborative, innovative and researched-based teacher education and training for practitioners in the local, national and international educational systems, nurturing service-oriented, competent and morally upright citizens.
