Applications open for 2020 GBF-Gokongwei Group STEM Scholarship for Excellence

Gokongwei Brothers Foundation announces the opening of applications for the **GBF-Gokongwei Group STEM Scholarship for Excellence** program for academic year 2020 to 2021. Applications will be received until **August 30, 2020**.

The GBF-Gokongwei Group STEM Scholarship for Excellence supports outstanding college students in the field of science, technology, engineering, and mathematics (STEM) who possess good academic record, demonstrate leadership potential and community involvement, and require financial assistance to pursue higher education. Scholars receive a fixed grant amount every academic year until they complete their college degree.

The scholarship program is intended for students enrolled in any year level in select STEM degree programs listed at the end of this announcement. Students enrolled in GBF's priority universities are highly encouraged to apply. First year students in academic year 2020 to 2021 may also send applications.

Aside from providing financial assistance, GBF also helps ensure that scholars undertake quality on-the-job training and find gainful employment. GBF makes this possible by partnering with various Gokongwei Group companies in carrying out the scholarship program.

As of June 2020, the scholarship program has supported 235 scholars through college. Currently, the program has almost 140 scholars enrolled in 23 top-ranked Philippine universities.

Especially amid the current times, GBF emphasizes its commitment to providing access to education to deserving students who will contribute to the advancement of STEM in the country. "We at GBF look to these young Filipinos, our future scientists and STEM professionals, to be the next generation of leaders and movers of our country towards meaningful change and sustained national development," GBF Executive Director Grace Colet said.

Interested applicants may access the complete requirements checklist and application form through bit.ly/gbfstemsfe2020application. Inquiries may be directed to stemsfeapplication@gbf.com.ph.

GBF is the philanthropic arm of the Gokongwei Group. Its mission is to build the future through education. GBF works toward the advancement of STEM education, believing this is the driving force for sustainable national development.
