

International Relations and Diplomacy track

The International Relations and Diplomacy (IRD) Track explores the field of International Relations and its applicability in the area of diplomacy. It provides an in-depth understanding of the field of international relations and its interplay with history, economics, politics, and sociology.

Furthermore, the students of this track will develop a critical knowledge of how interactions between states and other non-state actors factor in the overall structure of a global community.

The program track will also provide a combined theoretical and practical knowledge of contemporary multi-level diplomacy
