Any personal information shared with such third parties shall also be covered by the appropriate agreement to ensure that all personal information is adequately safeguarded and in accordance with the requirements of Data Privacy Act of 2012.

Retention and Disposal of Records

FEUHRD retains the personal information it collects only for the period allowed under applicable laws and regulations. FEUHRD shall immediately destroy or dispose, in a secure manner, any personal information the retention of which is not allowed under the said applicable laws and regulations.

FEUHRD generally subscribes to the following below:

1. Employees data and employment records are kept in the locked in cabinets located at HRD records room.
2. Employment records shall be kept permanently for reference purposes while other data of employees are disposed in a secure manner after 10 years from date of retirement.
3. The disposal or permanent deletion of records are done through shredding or any other means to ensure that it will be impossible to reconstruct or retrieved the information contained therein.

FEUHRD ensures that no data contained in the records will be exposed or subject to unauthorized access or use when the same are disposed.

Responsibility and Rights of Data Subjects

As a data subject, you have the following rights under the Data Privacy Act:

1. The right to be informed whether personal information pertaining to him or her shall be, are being or have been processed.
2. The right to be furnished with the information before the entry of his or her personal information into the processing system of the personal information controller.
3. The right to reasonable access to the data subject's information upon demand.
4. The right to dispute the inaccuracy or error in the personal information and have the personal information controller correct it immediately and accordingly unless the request is vexatious or otherwise unreasonable.
5. The right to suspend, withdraw or order the blocking, removal, or destruction of his or her personal information from the personal information controller's filing system upon discovery and substantial proof that the personal information is incomplete, outdated, false, unlawfully obtained,
